Dear Parents and Guardians

**Happy Chinese New Year**

We missed a lot of you last week due to covid, I hope all your family are well and no one was severely affected. Here's a look at what we got up to in January.

### Literacy –

The children have worked hard on their sounds and are now ready to begin reading some phonic books. Here we have the children working together on reading eggs and friends sharing a book in the library.

**Aistear:**

Our theme for this month was houses, with the children acting out Na 3 mhúicín as Gaeilge, building houses in construction, sorting furniture in maths and describing their houses in oral language. Take a look at what they got up to.

## Outdoor Classroom

It's fantastic the opportunity we have to get outdoors in the school. Here is what we got up to this month.

We hope all the children are all back soon for some fun learning about the Jungle!

Please keep safe everyone  
Nicola and Loraine
