

Woodstock ETNS Junior Infant February Review

<https://woodstocketns.ie/> <https://www.facebook.com/WoodstockETNS>

Dear Parents and Guardians

I hope you all enjoyed the break. Here's a glimpse of what the children were up to this month.

Literacy –

The children are blending their sounds, reading some beginner books in class and beginning to learn some tricky words.

Aistear:

Our theme for this month was the jungle. Here's a look at the children on safari. They also created jungle habitats in construction and lego.

Maths

The children are really enjoying Top Trumps and some Frozen dice games, unfortunately I'm usually also enjoying them and I've no photo's. Here are the children doing some fabulous patterns.

Science Club

The afterschool Science club seems to be a hit.

Our theme for March is The Ocean and we will also be celebrating Seachtain na Gaeilge!

Please keep safe everyone
Nicola and Loraine
