

Dear Parents,

With the Easter break, we've had very little time in school for the month of April. Due to this, I have compiled a mini synopsis below 😊

Month of April Synopsis:

- We are nearly finished 'Danny the Champion of the World'. We have greatly enjoyed this book and are big fans of Roald Dahl.
- In our Learn Together curriculum, we explored Ramadan and Eid with the help of Ali and Laila
- In Aistear we had our usual construction and smallworld and added a maths station where we played very fun number games. We also created beautiful artwork to celebrate Eid.
- Aoife, our wonderful tin whistle teacher returned. The children are improving at an exceptional speed.
- We have not moved on to a new topics in maths and have instead done a blast of number work.
- The students are steadily becoming more confident in their use of day to day Irish (Gaeilge neamhfhormúil). Please revise phrases given in previous reviews.
- I have also seen a huge improvement in Senior Infant handwriting, they are practicing every morning in school in their writing copies and are doing a fantastic job. Well done, Senior Infants!
- Our Aistear theme for the month of May is 'PIRATES'. We are very excited to get stuck into this topic 😊

That's all for now!
